

# Recovery is a Process – not an Event

A weekend retreat with Roger B.

We want compliance and conformity to be enough. When we are struggling, we often think “I did everything you told me - went to meetings, got a home group, found a sponsor, did my Steps - and I’m not satisfied!” Is it possible that the outside changed, and we hardly touched the inside? Recovery is an inside-out process! When the inside is transformed the outside automatically changes. During this weekend, we will look at the obstacles that stand in our way, and find a path to change.
