

The Religion of Self-Reliance

A weekend retreat with Roger B.

We are raised in a "make it happen" culture. The messaging is "you can have **anything** you want, *if* you're willing to work hard and sacrifice". Anything less than complete success is considered complete failure. We need to find a way around (and through!) this shame-based and fear-inducing conditioning. It is impossible to create a satisfying life experience when you always feel that you need more! This weekend we will explore the alternatives to this way of thinking.
