

# The 12 Steps As A Life Style

A weekend retreat with Roger B.

The Big Book is a map. It's a step-by-step process on how to change the way we see the world. It is designed to be a life long practice, and contains the directions to finding Freedom. The Steps lead us along a path to finding true treasure: a relationship with the God of our understanding. During this weekend we will go in depth into this process and find our way together.
