

What Is My Life Trying To Teach Me

A weekend retreat with Roger B.

Sometimes we need to reframe our thinking. Is whatever we are currently experiencing (that we perceive as negative) a problem, or an opportunity? What is my life trying to teach me? What can I learn from my situations and relationships? What changes do I need to make to start finding the gift that is present in all that happens? We'll talk about all of this over the weekend, as well as ways to look at the circumstances in our lives from a new perspective.
