A weekend retreat with Roger B.

There are many names, as well as personal conceptions, of each of our Higher Powers. As we watch how this Power manifests in creation, we witness that Life is the Teacher. As our lives unfold before us, sometimes we wonder "why is this happening to me?" A better question might be "what is this person, situation, or circumstance trying to show or teach me?" This weekend will focus on embracing that shift in perception, to realize that it's all a gift!
