

The Root of Addiction

A weekend retreat with Roger B.

The disease of addiction can feel very confusing. What causes it? What's at the center? Is it nature or nurture? We can spend a lot of time trying to figure it out, but, regardless of the cause, the real question becomes: is there a way to work free of my past and repair the damage my addiction has caused? Recovery empowers us to make a decision - either to stop doing something or to start doing something. This weekend retreat will focus on discovering the answer to the question of "What's your decision?"
