

# Finding the Way

A weekend retreat with Roger B.

Now more than ever it feels like there is a challenge that we are all facing: being in the world, but not of it. It can be hard to consider how do each of us keep our spirits alive when the world is trying to define us by other things like money, roles, and perceived successes and failures. We have learned that what we don't transform, we transmit. During this weekend we will learn how to rise above our conditioning and get in touch with who we really were designed to be.
