

The Shaping Process: focusing on efforts, not results

A weekend retreat with Roger B.

How do I come to the place where I can let God or these Higher Principles guide and shape me? How do I know when it's my idea or God's? If it's my Higher Power's will or mine? How do I create a lifestyle that frees me to continue to grow? We are the clay, and our Higher Power is the Master Potter. During this weekend we explore how to mold ourselves into having a totally different relationship, by allowing ourselves to be open to the possibilities that come when we're open to guidance.
