

# What's the REAL Problem?

A weekend retreat with Roger B.

When our society sees people using drugs, alcohol, sex, food, and relationships to excess, they call that "addiction". What they don't understand is that these behaviors aren't the problem, they are ways to cope with a problem. We need to find out how to create a life that doesn't require us to numb ourselves to tolerate what we have created. Our recovery journey teaches us how to live in a world that's all about excess (money, power, success, greed). Let's come together for the weekend to discover how to get free!
