

Starting Over

A weekend retreat with Roger B.

It feels like a daunting task: starting over. Although there are little ways that we start over each day, there are other experiences that can feel overwhelming, be it a relapse, an illness, the end of a relationship, career losses, or issues with getting older. How do we not get lost in the pain, grief, and loss in our lives? How do we accept life on life's terms, and discover the richness in each experience?

We don't have to do this alone! We can allow our relationship with our Higher Power/God/Truth/Creator to help us along the way, as well as the others surrounding us on this journey. This weekend will be an opportunity to challenge ourselves to be humble, and to learn the lessons imbedded in the difficult times so that we can continue to grow and begin anew!
