## HISTORY OF AA WOMEN IN MINNESOTA

### Marie Manthey

Marie Manthey shares her perspective about the place of women in society and how it impacts their experiences in recovery. She will also lead us through the stories of pioneering women in AA in the Midwest—who sponsored some of the women currently in recovery—and her personal experiences with Marty Mann and her partner, Priscilla. You won't want to miss this inspiring evening!

MARIE MANTHEY is an American nurse, author, and entrepreneur. She is recognized as one of the originators of Primary Nursing, an innovative system of nursing care delivery. Manthey was named a Living Legend of the American Academy of Nursing in 2015. At the height of her career, Marie became addicted to alcohol and started on a journey in recovery that involved a deep transformation that is now in its 43rd year. Marie helped develop the Nursing Peer Support program in Minnesota that has helped thousands of nurses into recovery and employment. Marie's continued service includes sponsoring women, serving on AA boards, and attending five International AA Conferences.
