

Decoding the Steps

A weekend retreat with Roger B.

When we read our Big Book on our own, it often seems as though it has been written in code. It can be confusing. We don't understand what it is telling us—or what others appear to be discovering in their reading. Since the first word in the 12 Steps is "We"—it seems apparent that this book is better read in community with each other. During this weekend retreat we will decode the Big Book together and find meaning and relevance in the messages found there.

This retreat is open to all 12 Step fellowships who want to take a deeper dive into the Big Book of Alcoholics Anonymous!
