

What is my Source? The Search for God

A weekend retreat
with Roger B.

When life "squeezes" us—what's inside of us comes out! When this happens, we find we need extra Power and solutions to help us understand our relentless, often self-sabotaging thinking—and to engage with it differently than we have in the past.

Most of our lives many of us have been looking for a solution to our living problem, not realizing that we were on a quest for Power. Instead of relying on faith, we've relied on finite things and people. Of course, the result has been separation and loneliness.

During this weekend retreat, we will search for a Power that can produce a change in our thinking, together. As George Bernard Shaw said, "Progress is impossible without change, and those who cannot change their minds cannot change anything."
